Unique investment opportunity! For sale is a dilapidated house located in an area with many possibilities to convert it into the home of your dreams. The current structure requires demolition, allowing you to design and build a modern home adapted to your needs. Situated in a privileged location, from the property you can enjoy enchanting views that will make every day a special experience. It is also close to all essential services, such as shops, pharmacies, and doctors' offices, making your daily life easier. Just a 5-minute drive away, you will reach Tijola, where you will find a wide range of services and amenities. Don't miss this opportunity to create the perfect home in a peaceful setting with great potential.
