Casa Alcón

Somontín

€6,000

A unique opportunity in Somontín! A house for sale in need of renovation, perfect for those looking to create their own custom home. The property requires a complete renovation, including flooring, tiling, and a redesign of the spaces, as everything must be built from scratch. The house has several rooms that can be adapted to suit the buyer's needs, allowing them to design a living room, kitchen, and bedrooms to their liking.

Located in a charming village that offers essential services such as a bakery, pharmacy, shop, bars, and the town hall, this home is an excellent investment for those looking for a personalized project. It's also just 5 minutes from Olula del Río, where all the amenities of daily life are located. Don't hesitate to contact us and make this house your dream home.
