**Baza**

**€160,000**

A charming and quaint farmhouse is for sale in the municipality of Baza, a perfect place for those who dream of enjoying the tranquility of the countryside without sacrificing the convenience of all amenities. Surrounded by fertile land, this little paradise offers the opportunity to cultivate anything you desire, making it the ideal place to create a small vegetable garden, plant fruit trees, or simply enjoy the outdoors. The property even has a small greenhouse, perfect for those who love gardening or wish to grow crops year-round.

The property is accessed through a fully fenced plot, providing privacy, security, and a pleasant sense of personal space. Upon arrival, you are greeted by a lovely porch, a perfect spot to relax, have breakfast outdoors, or enjoy warm summer evenings while contemplating the natural surroundings.

Entering the farmhouse, you'll find a welcoming, fully furnished kitchen that connects to the dining room. A wonderful wood-burning stove stands out in this room, heating the entire house and creating a warm and comfortable atmosphere during the colder months. Being a small farmhouse, the heat is easily distributed throughout the house, making the interior a very pleasant space. The house has one bedroom and one full bathroom. All the rooms have windows that provide abundant natural light, filling the farmhouse with brightness and creating a very welcoming atmosphere.

Upstairs, we find a pleasant outdoor area where the swimming pool is located, perfect for cooling off on summer days. Around it, there is enough space to sunbathe, relax, or spend time with family and friends while enjoying a swim and the area's pleasant climate.

Next to the farmhouse, there is also a room for the pool's filtration system and another room for the well equipment, as the property has its own well, a great added value for maintaining the land and cultivating the crops.

Although it is a small farmhouse, its charm and layout make it a very welcoming home, ideal as a permanent residence, a country house, or a getaway to disconnect from the pace of the city and enjoy the peace that nature offers.

All this without sacrificing the convenience of having the town of Baza nearby, where you'll find all the necessary amenities for daily life: shops of all kinds, pharmacies, a hospital, restaurants, schools, and its traditional weekly market held every Wednesday.

In short, a perfect opportunity for those seeking a special retreat where they can enjoy the tranquility of the countryside, nature, and a high quality of life.
