A stunning and spacious house is for sale in Tijola, a unique property that stands out for its versatility, size, and charm, ideal for a large family or those seeking an investment opportunity. The house, distributed over two floors plus a semi-basement, is divided into two independent apartments, allowing you to live comfortably in one and rent out the other, or enjoy it as a single, large home.

Upon entering the house, you are greeted by a welcoming foyer that leads to the different areas. To the right is the first floor, which features a cozy living room, a fully furnished kitchen with access to a practical interior patio, perfect for everyday tasks such as hanging laundry or creating a utility area. This apartment also has three bedrooms and a full bathroom, offering a comfortable, functional, and move-in ready space with excellent natural light throughout.

The second floor is located on the first floor and begins with a cozy sitting room upon entering, ideal for relaxing or reading. Opposite this is the kitchen, also fully equipped and with a separate utility room. At the rear of the house are two bedrooms and a spacious, bright living room, which boasts a large balcony offering beautiful views and creating a pleasant and relaxing atmosphere.

The semi-basement completes this magnificent property, providing valuable extra space. It includes a garage, the boiler room (as the house has radiant central heating throughout), a large living room with a fireplace perfect for family gatherings or cozy winter moments, as well as an additional bedroom and a full bathroom. The semi-basement provides direct access to the first floor without having to go outside, ideal for carrying groceries, etc.

This is a very complete house, fully equipped and in excellent condition, ready to move into without any renovations. Its layout allows it to be used as two separate apartments or as a single large residence, adapting to different needs.

Furthermore, it boasts excellent access, beautiful views, and a prime location, close to all the amenities Tijola has to offer: a 24-hour health center, pharmacies, shops of all kinds, the town hall, schools, and the traditional Saturday market.

A spacious, bright home full of potential, with all the charm of a true home.
