Excellent investment opportunity in Tijola Station! Magnificent building plot with privileged views

A fantastic plot of approximately 164 m² is for sale in the Tijola Station area, a peaceful and pleasant setting that combines the convenience of being close to all amenities with the tranquility offered by a charming residential area.

This plot stands out for its excellent location, easy access, and magnificent open views of the surrounding area, making it an ideal option for those who wish to build their dream home in a prime location. Its buildable status allows for various projects, from a single-family home to any construction permitted by current urban planning regulations.

The proximity to the town center of Tijola allows you to enjoy supermarkets, schools, shops, banks, sports facilities, and all the necessary services for daily life, without sacrificing the peace and privacy that this area offers.

Thanks to its excellent orientation and unobstructed views, this plot offers the possibility of designing a bright home with spacious terraces, a garden, a leisure area, or any space that suits your needs and lifestyle. It's a perfect opportunity to build either a primary residence or a second home where you can enjoy the surroundings and nature.

If you're looking for a plot of land with potential, well-connected, buildable, and located in one of the most peaceful areas of Tijola, this plot has everything you need to make your project a reality.

Don't miss this fantastic opportunity. Come and see it for yourself and discover everything this plot has to offer to build the future you envision.
