Cortijo Naranjos

Purchena

€85,000

Cortijo to reform 2 floors, 2 floors have direct access from the ground as if they were 2 separate properties, on the top floor has 6 rooms, one with fireplace, downstairs has 3 bedrooms and 1 indoor patio. The plot where the farm is located has 10,000 m², which are planted and production, 300 orange trees, 50 olive trees, walnut trees, mandarin, pear trees, vines, etc.. What gives a special charm to the property. Irrigation water has a community well and a private well on the property, the land is flat and very good quality which makes it very affordable and comfortable to work it has a raft of concrete to impound water and then water the ground or can be used to install a drip irrigation system which is more convenient and practical. It is 5 minutes walk from the town center, has good access and good views. You can buy additional 3000 m² of land, right next to the property.
