Cela

€199,000

Cortijo of 2 floors located on a plot of 5409m2. In the low garage plot and the main door through which we access a distributor hall leaving to the left 2 bedrooms and 1 bathroom and to the right 2 bedrooms and 1 bathroom. From where we reach the dining room and to the left the kitchen. From which we have access to the garage, the house has a basement that is perfect for use as a warehouse or any other use. On the outside floor also has a large storage room. The house is in perfect condition to live. In the plot has planted olive trees, orange trees, almond trees, vines and all kinds of fruit trees, has an irrigation pond and the entire drip irrigation system in operation, the whole plot is fenced. The irrigation pond can be converted into a pool with little work, in the house there are 2 fireplaces. It has excellent access and spectacular views, the property is 5 minutes from Cela where we can find. Shop, school, library, bars. 5 minutes by car we find Tijola, where we find all services such as a wide variety of bars, restaurants, supermarkets, banks, butchers, greengrocers, etc. The weekly market is on Saturdays. Tijola has a children's education, primary school and a secondary school. A medical center 24 hours. It has an outdoor pool that is open all summer with a bar. This property is located in Cela Valle del Almanzora, Almería.
