Macael

€120,000

Three-story house in the center of Macael, next to the church. The ground floor is distributed as follows by the main entrance in front there is a hall, on the left there is a room and on the right side there are two large rooms that were used as commercial premises. On the first floor there is the kitchen, a large dining room, a living room, two bathrooms and five more rooms. On the second floor there are two very spacious rooms and a terrace with excellent views. The house is in good condition to live although it needs some maintenance work, since this construction is from the first third of the twentieth century which gives it a very period style that are tall and voluminous. From the terrace you can enjoy spectacular views. This property is ideal for a large family, to share two families or for a rural house to rent. The access is good and is next to all services such as supermarkets, restaurants, bars, all kinds of shops and businesses, 24-hour health center leisure and sports centers such as indoor and outdoor swimming pool, running track, fields of soccer, schools, theater, etc. Weekly market on Fridays the town is 1 hour from Almeria and 40 minutes from the coast. Property located in Macael, Almanzora valley. Almeria
