Tijola

€150,000

Country house on one floor distributed as follows, we enter through a porch to the living room kitchen dining room, from this area we access to the left to the full bathroom, 1 bedroom and garage, in front of the house has an area for swimming pool and terrace. Located on a 12,000m² plot in which 400 olive trees are planted in production, fruit trees, vines, etc. drip irrigation system installed and in operation, has its own irrigation pond. The property has excellent access, good views and is located in a very quiet area 5 minutes from Cela where we can find all services such as: bars, shop, school, etc. And about 350 meters from the Fuente de Cela.

La Fuente de Cela is a spring of thermo-medicinal waters located in the town of Cela that is located between the towns of Tijola and Lúcar, the spring is public and free, the water temperature is constant and is maintained throughout the year at 22°C . at least, so it is ideal for the bathroom, use as an area to swim in sports plan for its dimensions 50x50 meters and spend pleasant days with family or friends because it has green areas to rest from the bathroom and relax, there are also bars and restaurants where to regain strength savoring our rich cuisine. For what becomes one of the areas with more tourist and investment future of the already 10 minutes from Tijola we have all the services such as: shops, bars, post office, banks, 24-hour health center, educational centers, sports and leisure, weekly market on Saturdays, etc. What makes this property an excellent place to live.
