Two-storey farmhouse to reform, located on a 5.000 m² plot with excellent views and good access. The area is very quiet and private. The farmhouse is composed of a living room with fireplace, 3 bedrooms, storage room, on the first floor 3 bedrooms, the farmhouse is to be completely renovated, being able to get a typical Andalusian farmhouse if a good reform is done since it has all the characteristics for it, Very thick large walls, the typical shape of a farmhouse and the charm that only this type of construction has. Although it seems that it is very isolated, it is not so since it is located 5 minutes by car from Olula de Rio where we find all the necessary services such as a 24-hour health center, schools, shops, bars, soccer field, Pharmacies, etc., weekly market on Thursdays. Half an hour from the beach, and one hour from the capital of Almeria.

Housing located in Olula del Rio in the interior of Almeria,
