Armuna de Almanzora

€65,000

Warehouse in Armuña located in a very quiet place, and with very good conditions to set up any type of business, given its location, 200 meters from the road, the industrial warehouse developed on one floor with an area of 184.71 m². An annex of 30 m², the warehouse is fenced, the plot is completely flat, and has spectacular views and very close to all services. One kilometer from Armuña. In the town we find services such as medical consultation, shop, pharmacy, town hall, bakery, paddle tennis court, soccer campo, municipal swimming pool, etc. And 2 from Tijola where we can find all services, such as restaurants, supermarkets, educational centers, sports centers, 24-hour health center, etc. And weekly market on Saturdays.

Property in Armuña, Valle del Almanzora, interior of Almería.
