Cela

€128,000

The 1,100 m² urban land with a façade on 2 streets is in an excellent location in an area undergoing extensive tourist and residential expansion. With access to all services such as shops, bars, restaurants, leisure areas, sports and nature, this plot offers the possibility of developing various projects.

With all services available nearby, such as electricity, water, drainage, telephone, among others, this property is a unique opportunity that meets all the necessary requirements. In addition, just 200 meters away is the Cela fountain, a free public spring with a constant temperature of 25°C, ideal for bathing, swimming or simply relaxing in its green areas.

With its location in the Almanzora valley, in Cela Almería, this property promises to be an investment with great tourism and development potential in the region. Close to shops, schools and public transport, this land is a unique opportunity to take advantage of all the possibilities it offers.
