Casa Albánchez

Albánchez

€149,000

Three-story house in the town of Albánchez, with 22 rooms, distributed as follows, we enter a hall from the hall we access a dining room with a fireplace, from this we reach another dining room, to the right we have an en-suite bedroom, In front there is a kitchen with access to a very large patio where there is a bathroom and a bedroom. From the patio we access a large garage and another room. The garage is very spacious, big enough for several cars. We go up to the upper floor where we enter a hall where we access a very large bedroom, from the room we go to two more bedrooms, to the right we have another bedroom, from where we go to another bedroom, a full bathroom, and two more bedrooms, it has two rooms which we can use as a living room, kitchen or more bedrooms. Third floor on the right we have a room with wooden ledges, in front a very large room, from the room we go down to a terrace with very good views. The house is very large with many rooms, ideal for more than one family or for a rural house, I have even put up a hostel given the large number of bedrooms and rooms there are. The house needs some improvement and modernization arrangements, good access, it is located 3 kilometers from Cantoria where we have the necessary services for daily life such as bars, restaurants, pharmacy, 24-hour health center, sports and leisure centers, centers educational facilities, supermarkets, banks, all types of shops and stores, weekly market on Wednesdays, etc. And 10 minutes from Albox where we find large supermarkets, a weekly market on Wednesdays, all kinds of shops, restaurants, banks, and 30 minutes from the coast. Property located in Albánchez Valle del Almanzora, Almería, Spain.
