This house has 2 floors: Ground floor, living room, bedroom, kitchen and cloakroom.

1st floor: 5 rooms and a bathroom.

There is another construction included with the property that could be reformed with no problems.

This house is habitable but is in need of some work...there are 2 different accesses to the property making it very easy to divide this house into 2 separate dwellings.

The village has all services and is very peaceful. Electric and water are connected.
