Complex with five houses sleeping 2-5 with WIFI internet, swimming pool and small restaurant with organic food. Natural environment surrounded by mountains and pine forests. Newly built Bioclimatic Building. In summer we open the 10x8 meter pool with a large swimming area and outdoor terrace. We offer breakfast, lunch, dinner and activities in the surroundings.

The houses are equipped with the maximum comforts: Living room, kitchen-dining room with fireplace and library, TV, DVD, underfloor heating, wooden floors in the bedrooms, complete bathroom with sets of towels and consumables, bed and bath linens, Fully equipped kitchen and kitchenware.

The complex has a Multipurpose Room for groups, Reception with tourist information and local products, and à la carte or menu restaurant. Our management and facilities have the "Q" quality certification from the Spanish Tourism Quality Institute.

We are located on an isolated farm of 6 hectares of Native Pine with views of the Almanzora Valley and the Sierra de Los Filabres, at the foot of the TransAndalus Route that runs through Andalusia by Mountain Bike. 5 min. from Serón (supermarket, bank, press, wineries, oil mills, ham drying rooms and 18 km Greenway to travel by bicycle). In 30 min. We can visit peaks of 2000 m altitude with views of the Mediterranean

To do

You can participate in all kinds of craft workshops where we will teach you step by step to make your own bread, jams, liqueurs and even Christmas sweets. There are also routes that cover some of the most emblematic places in the area such as the Millennial Trees of the Sierra de los Filabres.

In summer, an English camp is held for children between 8 and 13 years old with all kinds of activities for their entertainment.
